

Anglais – and/but/because...

To the restaurant I

(CE2 / + CM1 /+ CM2)

Mr Johnson :What do you want to eat, dear ?

Mrs Johnson : I don't know. Ask the children first.

Mr Johnson : Jenny, have you already chosen ?

Jenny : I want a pizza with only tomato sauce and mushrooms, neither ham nor cheese, and a salad but without sauce. It's because I can't eat too much : I'm on a diet.

John : Then, you can give me your salt and vinegar crisps.
